

ODDA

COLLECTION
ATELIER ALAIN ELLOUZ

DESCRIPTION

ODDA was inspired by our iconic OSLO model, the bestseller from our Atelier collection. Aerial by design, it features well-balanced oblong contours and a minimalist graphic style. The painted metal or bronze central plate echoes the curves of the alabaster. Its sleek design is accentuated by its four leather straps that form a loop around the alabaster ring, which is inlaid with a metal fastener similar to what we find in the artistry of luxury leatherwork. ODDA is a stately piece available in four sizes ranging from 110 cm to 200 cm. Its basic geometric form is suspended and subtly backlit, creating uniquely remarkable lighting with a presence like no other.
