

OPHELIA FLOOR LAMP - MFL53

COLLECTION PORTA ROMANA

DESCRIPTION

The Ophelia floor lamp emerges from a sculptural piece of art, with its ethereal flutes twisting to form a botanical shape. Reminiscent of classical Hellenistic sculpture, the white textured surface of the Ophelia's plastered finish enhances the glow of the light. The Ophelia floor lamp is individually hand sculpted. Its twisting flutes emit a golden light, which is diffused and softened by its sculptural surface in the nero with etched gold.
