

ORION NIGHTSTAND I - 9360

COLLECTION POWELL & BONNELL

DESCRIPTION

Designed with individuality in mind, the Orion nightstand can be described as a “chameleon”. The custom metal drawer details, inset glass top and Asian inspired base are enduring to the design, while a choice of multiple finish options will give the Orion a completely new identity: Play on a contemporary mood with a smoked mirrored top and drawers, or make a unique statement by selecting parchment finished drawer fronts and an extra custom hardware “flourish”.
