

OUTLINE CONSOLE - 9410

COLLECTION POWELL & BONNELL

DESCRIPTION

The classically bold yet subtly detailed Outline console by Powell & Bonnell has a significant presence. The design has more to do with the perfection of workmanship and restrained attention to detail than its mass. A practical solid surface top and pilasters delineate the wood surfaces and emphasize the purity of line. Lower Bronze mirrored back panels, framed in Polished nickel, lighten the design and add glittering elegance.
