

## PACHA OTTOMAN

**COLLECTION**  
GUBI

**DESIGNER**  
PIERRE PAULIN

### DESCRIPTION

Curvaceous, soft and low-slung, the Pacha Ottoman is a perfect companion to the Pacha Lounge Chair and Sofa. It can also be enjoyed as a comfortable and informal seat in its own right. Iconic designer Pierre Paulin's vision was to create a sensation of 'sitting on clouds'. A little ahead of its time in 1975, the modular Pacha Collection is finally coming into its own today. While the overall feel is organic and hyper-relaxed, Paulin's obsession for ergonomic precision and craftsmanship can only be fully appreciated by sitting in one of his striking creations. A choice of Black or Pearl Gold base and many upholstery options offer a wealth of possibilities for customization. Pairing the Ottoman with the Lounge Chair or Sofa makes a cozy 'cloud formation' in your living room, lobby or foyer.
