

PERIANTH TABLE LARGE

COLLECTION
HAYMANN EDITIONS

DESIGNER
DAN YEFFET

DESCRIPTION

Perianth from the ancient Greek Peri is the set of envelopes that ensure the protection of the reproductive organs of the flower. Dan Yeffet transposes nature here by wrapping the marble tops in an elegant oak film. An evocation of the most fragile nature through other much rawer natural materials.

MATERIALS
Wood, Marble

FINISHES
Nero Marquina Opaco, Saint Laurent Lucido, Patagonia Lucido
Marble, Natural and Black Tinted Oak

DIMENSIONS
Width: 49.53" (125.8cm)
