

PHANTOM CHANDELIER - 9542

COLLECTION POWELL & BONNELL

DESCRIPTION

Dripping crystals aren't the only way for a chandelier to make a statement. The 48" diameter of the Phantom chandelier makes it hard to ignore the powerful presence of this piece. Hovering from a central ceiling mount, the four metal armatures hold a mesh shade and twenty polished nickel candle holders of varying height. The Phantom chandelier is perfect for transitional or contemporary spaces.
