DESCRIPTION

Inspired by mid-century geometric abstract paintings such as by Douglas Herbert, Oli Sihvonen, and textiles by Josef and Anni Albers, this sleek little drinks cabinet finished in High Gloss White Vellum has contrasting inlaid Teal Vellum detail panels. The brass handles are cast from a Gesso sculpted original and the supporting gilded steel base has an inset antique mirror shelf. Vellum is a natural skin with no two pieces exactly alike, therefore variation in shade and tone along with physical characteristics are inevitable and may change over time.
