

PLUS PAIR LAMP SMALL

COLLECTION
PAUL MATTER

DESIGNER
NIKHIL PAUL

DESCRIPTION

Plus series is a new range of sconces by Paul Matter that features a simple shape in singular and repetitive arrangements. A 3-D dimensional plus is formed out of a single tube of brass that is cut, bent and finished. The light source nestled within emits soft beams of light showcasing its exceptional construction technique as embellishment. A compact form that multiplies to construct larger fixtures and individual wall hanging arrangements
