### DESCRIPTION

The interior architect and designer Stéphane Parmentier began his career working for Karl Lagerfeld before deciding to devote himself to architecture full-time in 2002. Since then, he has created and developed numerous projects for an international clientele attuned to his style of luxurious simplicity. The homes and objects he designs reveal a vision that is deeply anchored in a modern everyday lifestyle. Inspired by classical Greco-Roman antiquity, the beauty of the Puglian landscape, the restraint of the Japanese aesthetic, and a desire to focus on the essential, he cultivates elegant asceticism by associating noble materials with subtly graphic lines.
