DESCRIPTION

The Private Collection is a dedicated exercise in clean lines, symmetry and tonal restraint – calm and composed, but undeniably generous in its expression. The visual simplicity and careful balance of dimensions and materials enable each piece to feature in any room of the home and to fit seamlessly into a range of different interior styles. The Private Side Table is a compact solution to the multiple and varied storage and display needs of this hardworking typology and can be used beside a bed, sofa or armchair. While many side tables offer a surface for a lamp, a book and perhaps some flowers, the Private Side Table's drawer also enables storage of more personal items or those that might need to be close at hand, but out of sight.
