

S2 CHANDELIER

COLLECTION
MAISON POUENAT

DESIGNER
MICHEL JOUANNET

DESCRIPTION

Michel Jouannet is a designer and works primarily in the development of hotels and private residences. Liberated from trends and fashions, certain pieces of the furniture he creates as part of his architectural projects are commercially released. Michel Jouannet is interested in the depiction of raw work from materials. For POUENAT, he has devised furniture with character, with straight and assured lines.
