

SAMET LOW MODULAR SOFA 81

COLLECTION GERVASONI

DESCRIPTION

Samet Low is a modular sofa without rules, a multifunctional and configurable product that places the person as an active subject in the composition of their own space, encouraging them to experiment with new forms of use. Cosy and hospitable seats are juxtaposed with each other in regular and soft geometries, a dynamic design to create multiple types of more or less informal seating. Details, stitching and matelassé enrich a simple modularity that creates infinite compositions with a timeless aesthetic, from the most classic sofa to the most multifaceted, from the tidiest to the most disjointed. Seat element with triangle shaped back cushion upholstered in polyurethane foam, removable cover.
