

## SEINE PORTABLE TABLE LAMP

**COLLECTION**  
GUBI

**DESIGNER**  
SPACE COPENHAGEN

### DESCRIPTION

The portable version of Space Copenhagen's Seine Table Lamp brings the design's magical and atmospheric play of light to both indoor and outdoor spaces. Inspired by the behavior of light and water, it features a mouth-blown sandblasted glass shade with a sandblasted finish. The Seine Portable Lamp is supplied with a USB-C docking station, and charges to full in eight hours. The hand-finished antique-brass base has been extended for optimal ergonomics, allowing it to be easily and comfortably carried around and outside the house.
