

SMALL GIACOMETTI PENDANT - MCL76S

COLLECTION
PORTA ROMANA

DESCRIPTION

Geometric in design and rich in texture, the sculptural quality of the Small Giacometti pendant ceiling light characterises the craftsmanship of the Autumn 20 collection. Formed of forged steel and finished in gold, the Small Giacometti was conceived to be shown in a group, working well above a kitchen island or breakfast bar, whereas the Large Giacometti works as a standout piece in an entrance hall.
