

SOCH TABLE - S01

COLLECTION
IMPERFETTOLAB

DESIGNER
VERTER TURRONI & EMANUELA RAVELLI

DESCRIPTION

The name, in a fascinating Italian dialect, means wood stump. That is what this collection of sculptural elements brings to mind: portions of trees, flexuous or sturdy, of different shapes and sizes, which offer their surface to be used as seats or small tables. Nature and artifice remixed and redesigned, to give spaces a stylish detail.

MATERIALS
Fibreglass
