

STRAW 23

COLLECTION
GERVASONI

DESIGNER
PAOLA NAVONE

DESCRIPTION

Simple and refined, the Straw 23/24 chair family, with and without armrests, is characterised by the structure in tubular aluminum painted light grey. A slender and light product covered with a handwoven weave with a double torsion polyethylene rope, a fibre with a natural, strong, flexible and durable appearance designed specifically for outdoor use.

MATERIALS

Metal, Resin
