

SWAG PENDANTS - 9 RINGS

COLLECTION
TED BRADLEY

DESIGNER
TED BRADLEY

DESCRIPTION

The sculpture is inspired by a solar eclipse, one of nature's most powerful aesthetic displays. The free form of the sweeping cords contrasts with geometric perfection of the porcelain rings. These two styles come together in an unexpected harmony and visual magnetism. Each set of Swag Pendants is custom designed by Ted Bradley for the space it will be installed in. The porcelain ring sizes (15-in, 17.5-in, 22-in) may be specified by the designer.
