DESCRIPTION

Handmade porcelain domes hang from sweeping, finely braided metal cording. Swag Pendants provide a beautiful aesthetic contrast to spaces defined by right angles and straight lines. Only one junction box is required for each sculpture. Each set of Swag Pendants is custom designed by Ted Bradley to your specification. The sculptures can be made round or linear, and with your chosen number of domes ranging from 12-inches to 22-inches, in any dimensions you like. The domes can optionally be hung angled.
