ATELIER TORTIL

DESIGNER
ALAIN BOURDON

DESCRIPTION

With The Minimalist Wave, graphic designer Alain Bourdon opens the second chapter of the "Cahier d'artistes" collection produced by Atelier Tortil. In designing this line of hand-tufted rugs, Alain was inspired by the wave, a powerful force that he loves to capture while surfing, a passion that invites him to explore and discover unusual spaces. Reef and Swell, two designs whose dynamics and bold lines have been interpreted by Atelier Tortil in a textile expression that offers a unique vocabulary of textures and colours. The Minimalist Wave is an invitation to a sensory experience created by contemplating the magic and poetry of the ocean.
