

TAPAS PLATE L - WHITE SWIRL-STRIPES BLUE

COLLECTION
SERAX BY OTTOLENGHI

DESCRIPTION

The Ottolenghi Tableware range represents everything Ottolenghi stands for, designed with the intention of coming together in celebration of food, family and friendship. Designed by Yotam's great friend Ivo Bisignano and produced by world renowned design label Serax, it is a playful assemblage distinguished by two main motifs - abstract vegetable shapes and forms of an impulsive O-shaped brushstroke for Ottolenghi. With an abundance of colours, vegetable prints and positive vibes the brand new FEAST collection reflects everything his creator, the British-Israeli chef Yotam Ottolenghi, stands for. On this project the chef joined hands with Italian artist Ivo Bisignano. "Ivo is a good friend as well as a soul-mate for the creative process in all Ottolenghi graphics", Yotam Ottolenghi states. The various sizes in plates, the vibrant colours and different patterns all evoke the typical Ottolenghi feeling of 'outrageous casualness'. "This collection is a collaboration nourished by camaraderie and by the sharing of lovingly-made food around a beautifully-laid table. We hope you enjoy it as much as we do."
