COLLECTION ENTRELACS

DESCRIPTION

Yves and Paul Macheret created Entrelacs, a brand of light fixtures, backed by the Macheret Foundry. The company has been awarded the Entreprise du Patrimoine Vivant label. Entrelacs designs, manufactures and publishes lighting fixtures based on the mastery of bronze. The raw materiality of the creations and the pure lines contribute to the timelessness of pieces. Here is the portrait of a French brand, permanently inscribed in the landscape of French lighting that will stand the test of time.
