

## TORCH CEILING LAMP

### COLLECTION BACCARAT

### DESCRIPTION

The Torch range draws inspiration from Baccarat's exquisite Zénith chandelier reinventing its illustrious elements by juxtaposing them an unexpected way. Dripping Clear crystal pendants peek out from beneath a black pleated linen lampshade, glimmering discreetly yet resplendently. The shade, hung upside-down, adds a dash of humor to the design. A tassel (available in either black, or white) is prominently suspended below the shade, and the nickel-plated brass socket features Baccarat's elegant signature.
