

TRIBUTARY OCCASIONAL TABLE - GLASS

COLLECTION REFRACTORY

DESCRIPTION

The Tributary motif is about headwaters and braided streams and also about the nature of tribute, the channeling of materials and processes into something contributory. The works are anchoring, monumental, and express movement between elements both navigable and rough, high plateaus and shallow estuaries. The Tributary Occasional Table is an exploration of these planes, channels, and primary and secondary surfaces. The cast bronze frame and lower surface together support hand-polished kiln cast glass, solid oak, or black walnut.
