

## TWIN - ARMCHAIR

**COLLECTION**  
ALINEA DESIGN

**DESIGNER**  
LEO AERTS

**DESCRIPTION**

TWIN, the essence of a timeless design chair in ash or walnut wood, stands out with its sculptural rear legs, elegant armrests, and refined leather seat. The character of the chair is defined by the unique form of its two hind legs — mirrored and subtly tapered — a detail that gives the chair both its name and distinctive silhouette.
