**COLLECTION**  
IMPERFETTLAB

**DESIGNER**  
VERTER TURRONI & EMANUELA RAVELLI

**DESCRIPTION**

This extraordinary mirror, supported by a modern structure, celebrates duality in all its forms. The reflective surface emerges from a fragment of bark, as if carving out a portion of it, creating a connection to natural materials. The irregular and authentic texture of the bark envelops the mirror, merging the raw beauty of nature with human craftsmanship. URUK is a fusion of modernity and archetype, of contemporary setting and ancestral suggestion; it captures every glance, reflecting and transforming it into a unique and dynamic visual experience.
