

ZURICH COFFEE TABLE - 9460/9461

COLLECTION
POWELL & BONNELL

DESCRIPTION

The beautifully balanced Zurich Coffee Table by Powell & Bonnell offsets its bold structural mass with a balanced interplay of stainless steel and wood. The stainless “block” legs, set mid-side, bears up the weightlessness of the cantilevered corners and drafts the intersecting lines of the checkerboard inlaid wood top. True to its “Miesian” spirit and with a nod to Swiss precision, the Zurich table is spare and subtle, but forthright enough to evoke a strong modernist sentiment.
